Email Communications

Publicity Chair

Ellen Vande Bunte

Emails including all details of the upcoming monthly meeting are sent the Friday before the meeting. Please scroll through the entire email. These emails are like mini-newsletters and contain the most up-to-date information. Emails are sent occasionally at other times when contact with membership is needed.

Currently, emails are arriving via MailChimp from the address quiltinc.comm@gmail.com. Over the summer, we will transition to using the email address communications@quiltinc.org. Be sure to click on and read the emails. Ignoring the emails may eventually send them to your spam folder and make them harder to find. Add the addresses to your contact list as well.

You can always reply back to these emails you receive and I filter them to the appropriate person for follow-up. Any questions – email me at

communications@quiltinc.org.

Service

Thank you to all who have helped to make quilts this year. In the last 12 months we have distributed approximately 120 items to 16 different organization. This would not be possible without your help. My goal for next year is to increase this number. We are always open to ideas and suggestions. I can be reached at dmillso1@nycap.rr.com

We will have fabric and kits available at the June meeting. Feel free to take one of these to sew over the summer.

Placemat Project

Join the guild's Placemat Project! Quilted placemats are collected at guild meetings throughout the year and are distributed in December to local organizations serving the elderly, shut-ins, and other people in need. Our placemats bring much joy to the recipients. We donate hundreds every year!

Any cheerful design is welcome. The recommended finished size is 14" x 18", give or take an inch.

Against All Odds: Harriet Powers

This article is about Harriet Powers, American folk artist and quilt maker who was born into slavery in 1839. The article contains great examples of Harrier Powers' quilts.

December 2023 Quilt Challenge

Two plus one challenge

Pick two crayons out of the bag (without looking) and use those two colors plus one color of your own choosing for your challenge quilt. The colors do not have to be exact to the crayons but in that color family. Bring your crayons with you in December with your completed quilt.

Please submit a 35-word description of your quilt.

The quilt can be either a traditional or a non-traditional design and will be voted on by members at the December 2023 meeting. Prizes will be awarded to the top three viewer's choice in the two different categories. To be eligible for this challenge, the quilt must:

- * have been started after the announcement of the challenge
- * have a perimeter of less than 144 inches
- * be finished (quilted and bound)
- * have no uncovered identifying labels
