

Star 60 Log Cabin Supply List

Star 60 log Cabin: 4 hour class. Difficulty 2 Stars. This class is an introduction into making the Star 60, which can be made in 17 sizes. As with all the Star 60 Stars they can be incorporated into OBW's or made into a rectangle/square. Take your log cabin technique to a new shape. Using your Star 60® tool with oversized strips, you can create these fun and interesting blocks. The blocks can be used to create Star 60 units by adding side triangles.

1 Round

2 Rounds

3 Rounds

Fabric Requirements:

Logs: 6 – ¼ yard pieces, different colors **OR** 6 fat quarters.

Center Diamond: One 1 ¼" strip at least 18".

Background: 3/8 yard

We will make 7 ½" finished Diamonds from ½" finished logs for a 15" finished log cabin star. You can choose fabrics of the same color with different values or choose different color fabrics for contrast.
