

Service Block of the Month

The first block of the month will be due at the March 13, 2026 in person service meeting. Below are the instructions for our first block; the **Spool**. Please bring all completed blocks to the service meeting. Members will receive one ticket for every block completed. A ticket will be pulled at the meeting for the winner. The winner will receive all blocks, so the more blocks you make, the greater your chances of winning! This is a great way to learn new blocks. Please read all instructions carefully before making the block. Use a $\frac{1}{4}$ " inch seam. The block should measure $8\frac{1}{2}$ " when completed.

- 4 half square triangles; cut a $2\frac{7}{8}$ " square into two triangles
- 4 strips $2\frac{1}{2}$ " X $4\frac{1}{2}$ " strips
- Several $1\text{ X }4\frac{1}{2}$ " or $2\frac{1}{2}$ " X $4\frac{1}{2}$ " strips to make the thread part of the spool, or 1 piece $4\frac{1}{2}$ " X $4\frac{1}{2}$ "
- The background is preferred to be neutral and wood tone fabric for the spool. Your choice of color and design for the thread part of the spool.
